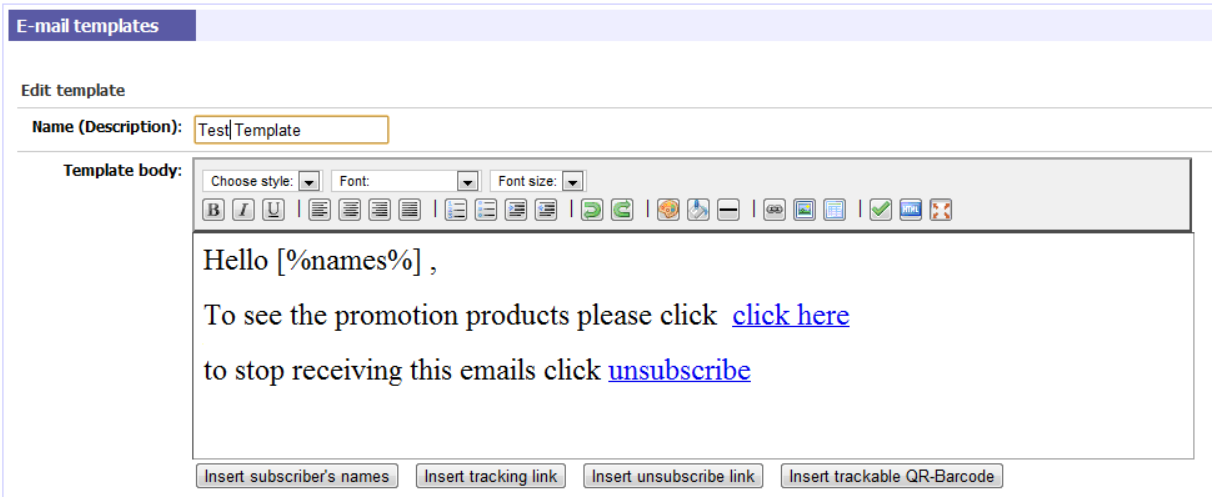
AURASEL

Email marketing combined with analytics and live text & video chat

1

Send personal newsletters to mailing List



2

Real-time visitors monitoring feature enables you to see instantly who visited your website from your email campaign and invite them to chat

	IP Address	Country	Name	E-mail	Online	Current page
invite	88.55.183.34	Italy	Natalia De Giovannini	natalia.degiovannini@hotmail.com	00:15:35	(7) http://www.aupair-optio
invite	41.206.15.29	Nigeria	[illegible]	[illegible]	00:35:06	(4) http://www.aupair-optio
invite	93.218.96.109	Germany	[illegible]	[illegible]	00:00:00	(1) http://www.aupair-optio
invite	83.43.188.223	Spain	[illegible]	[illegible]	00:02:35	(8) http://www.aupair-optio

Live Chat feature enables you to turn visitors into customers: Create a more personal connection with your website visitors before your competition does. Increase your sales and customer satisfaction.

3

Analytics feature enables you to tracks who visited your website from your email campaign who reached your revenue goals(e.g. registrations and sales...) and who returned to your website for a second time
